Dear Greg,

Please see the attached image being shared on social media.

Can a conference calling to kill Jews take place on an American campus after Pittsburgh Synagogue shooting?

YES, it can and it's actually happening Nov. 16th at UCLA.

SJP leaders and members often call to kill Jews but UCLA is undeterred in inviting their national conference to its campus.

We all hope UCLA will cancel the conference before it's too late.

Best, Adam
